

## **Dance Arts Iowa COVID-19 Policy**

Rick and Trude Elliott and the teaching staff at Dance Arts Iowa are committed to providing a safe dance environment at the First Street Community Center.

The dance studios will be cleaned every day before dance classes. Each studio will have hand sanitizer and wipes available for the students to use as needed. In addition, **all teachers will wear a mask and all students are required to wear a mask during class.** If necessary, the teachers will **give the students a "mask break" to go in the library (social distance) or outside to take off their mask.** If the class is small, the studio is large and the choreography allows for social distancing then masks can be off during class but this will be allowed only if social distancing is possible.

**Students should arrive ready for class** to limit changing clothes in bathrooms. Fill water bottles before coming to the studio and leave dance bags outside the studio in the lockers, library or hallway.
