

Dance Arts Iowa COVID-19 Policy

Rick and Trude Elliott and the teaching staff at Dance Arts Iowa are committed to providing a safe dance environment at the First Street Community Center.

The dance studios will be cleaned every day before dance classes. Each studio will have hand sanitizer and wipes available for the students to use as needed.

Teachers and students are not required to wear a mask but, of course, new students may wear a mask and some current students do wear a mask.

Students should arrive ready for class to limit changing clothes in bathrooms. Students should bring their own water bottle. Drinking fountains and water bubblers are available for the dancers.

Students may put their dance bags in the hallway lockers, library or outside the studio doors.
