

## **Dance Arts Iowa COVID-19 Policy**

**Rick and Trude Elliott and the teaching staff at Dance Arts Iowa are committed to providing a safe dance and tumbling environment at the First Street Community Center.**

**The dance studios and tumbling mats will be cleaned every day before dance/tumbling classes. Each studio and tumbling area will have hand sanitizer and wipes available for the students to use as needed.**

**Teachers and students are not required to wear a mask but, of course, students and teachers may wear a mask. Parents may want students age 11 and younger to wear a mask to class.**

**Students should arrive ready for class to limit changing clothes in bathrooms. Students should bring their own water bottle. Drinking fountains and water bubblers are available for the dancers.**

**Students may put their dance bags in the hallway lockers, library or outside the studio doors.**
